## **Bridge Painting Project along the Dan Ryan between 13<sup>th</sup> Street and Canal Street**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that a bridge painting and cleaning project will take place along the Dan Ryan Expressway (Interstate 90/94), in Chicago, beginning, weather permitting, Saturday, April 1.

The scope of the project includes cleaning and painting the bridges that carry the Dan Ryan Expressway over local streets, railroads, and the Chicago River between 13<sup>th</sup> Street and Canal Street.

The project will have minimal impact to motorists on the Dan Ryan. Temporary lane closures may be required on surface streets, as well nighttime ramp closures. There also will be periodic closures to the shoulder and far right lane on the Dan Ryan in order to clean and paint sign posts for overhead signing.

The project is expected to be completed in Summer 2018.

Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
